**Orthopaedic Associates of West Florida Announces New Retail Pharmacy**

CLEARWATER, Fla. – May 30, 2017 – Orthopaedic Associates of West Florida is proud to announce the opening of a retail pharmacy in the PTAEK building.

The facility offers patients the convenience of filling their prescriptions at the time of their appointment. We offer a wide variety of over-the-counter medications and medical supplies, and our pharmacists are available to provide answers to any questions regarding prescriptions and medications.

In addition, we are offering a courier service free of charge for patients who cannot pick up their prescriptions the same day, to deliver directly to their home.

“Providing pharmaceutical care to patients with musculoskeletal conditions is the basis of our work as orthopaedists. This includes patients with arthritic conditions, patients with fractures and trauma, and those recovering from surgery,” said Dan Polen Chief Executive Office at Orthopaedic Associates of West Florida.

For more information about our pharmacy and the services provided at OAWF visit [www.orthowestfl.com](http://www.orthowestfl.com) or call 727-461-6026.
